Dear Patients and Families,

We thank you for choosing BHCS and look forward to working with you. We strive to provide the very best care and, in order to do so, we would like to take this opportunity to acquaint you with our office policies. Please take a few minutes to read over the following information. **In addition, we suggest that you review your health insurance policy and familiarize yourself with the coverage it provides.**

APPOINTMENTS

We ask that you try to schedule your appointments as soon as possible, hopefully after each visit, as routine follow-up time slots are typically booked for several weeks into the future at any given point.

If you are unable to keep your new patient appointment we require at least **48 hours notice** in advance to avoid being billed for the time. Existing patients, if you are unable to keep your appointment, please notify our office at least one working day (**24 hours**) in advance to avoid being billed for the time. **A missed appointment will be billed as a rate determined by your physician and also charged to your account.** We will make an attempt to contact you to confirm each appointment one or two days ahead of time. This call is a courtesy, and our failure to reach you will not relieve you of your responsibility for any missed appointment charges. Insurance companies do not cover late cancellation or missed appointment charges.

PRESCRIPTIONS

If you are on medication, please request any needed renewal prescriptions at the time of your appointment. In general, you will be provided with enough refills to last until your next expected appointment. If you do require refills between appointments, **please notify your pharmacy and have them call our office during regular office hours (9 a.m. to 5 p.m., Monday through Friday).**

Prescriptions for controlled substances cannot be called in and will require a written prescription. Please notify our office of a need for a prescription THREE BUSINESS DAYS in advance.

Prescriptions may be picked up during business hours, Monday through Friday, 9 a.m. to 5 p.m.

LETTERS AND FORM COMPLETION

We require a minimum of 48 hours for all letters and form completion. Any information that you would like forwarded to another provider, school, attorney, employer, etc., requires a signed release of information. In some cases, we may require you to schedule an appointment for the completion of these forms. Please contact our office to inquire whether a scheduled appointment will be necessary.

FINANCIAL POLICY

IF YOU DO NOT HAVE INSURANCE: If you do not have insurance, there will be a one-time, up-front payment of \$100.00 when scheduling your initial appointment. This payment will go towards your first appointment fee. If you cancel your appointment with 24 hours or more notice, your payment will be reimbursed in full. If you cancel with less than 24 hours notice or do not show up for your appointment, then payment is forfeited.

We ask that all self-pay patients pay in full at the time of service. If you cannot pay in full, we must receive payment before scheduling your next appointment.

IF YOU HAVE INSURANCE: *If you have insurance, there will be a one-time, up-front payment of \$100.00 when scheduling your initial appointment.* In order to better serve your needs, our office accepts several insurance plans. Every plan is different. It is up to the insured to know the exact requirements of their own insurance plan. In order for us to file insurance claims on your behalf, you must present proper proof of insurance at the time of your appointment at our office. However, when appropriate, if your insurance company has not responded within 60 days, full and prompt payment will be expected from you. **NO INSURANCE WILL BE FILED WITHOUT A COPY OF THE INSURANCE CARD.**

Fees due at the time of service include: Co-pays, deductibles, non-covered services, or patients that are not covered by insurance.

For your convenience, we accept cash, check, MasterCard, Visa, American Express, and Discover.

FINANCIAL RESPONSIBILITY

The person who brings a child for care is ultimately responsible for the child’s bill. The physicians will not get involved in a court decision or child support disputes.

In general, insurance companies should pay within 30 to 60 days after receipt of a claim. If your insurance company has not paid by 60 days after your visit, please check with your company as to the status of your claim.

Your insurance benefits are a contract between you and your insurance company. We cannot accept responsibility for collecting your insurance or for negotiating a settlement on a disputed claim, but we will assist you whenever possible.

If you are a member of a health plan for which we are participating providers, we will honor any restrictions on charges or fees, and these will be adjusted accordingly.

WE RESERVE THE RIGHT TO SEND AN ACCOUNT TO COLLECTION IF NOT PAID IN FULL. IF BHCS REFERS YOUR ACCOUNT OVER TO A COLLECTON AGENCY, YOU WILL BE RESPONSIBLE FOR YOUR BALANCE PLUS COLLECTION AGENCY FEES.

<u>FEES</u>	Initial Evaluation	\$375
	Extended Medicine Check with Psychotherapy	\$225

Our office will do whatever we can to assist you. If you have any questions or problems, please do not hesitate to contact our office.

All patients must complete the patient information form and sign this policy agreement in order to be seen in this office.

I have read and agreed to the above office policies.
